WANTED

ALL VETERAN STRATHCONA'S AND ATTACHED PERSONNEL

Tired of dusting all the things hanging on the "I love me wall"? Tired of moving the boxes of all the old army stuff that you "*might find a use for sometime*" or "*it may come in handy*"?

Still looking at it? Not finished with it yet? What are you going to do with it once you're gone! Make arrangements with your family and or friends. What they don't want pass along to the museum through a will or by gifting it.

The Regimental Museum is looking for *pertinent* artifacts and documents to add to the collection to better tell the stories of the people, places and events that make up the over 100 years of proud regimental history.

In particular we are looking for copies of citations awarded to members of the unit, medals and medals groups, photographs (with names places and dates if possible), and any of the other trinkets which you may have picked up along the way.

The Museum can issue a tax receipt for official income tax purposes for all accessioned donations.

Not sure if the Regimental Museum is interested in the "junk" you have kicking around? Phone, write, fax or email us and tell us what you have. We can easily let you know if we need it for the archives or collection or just give you an idea what it is worth.
